

CONTENTS

Preface	iii
SECTION 1: SMALL AND MEDIUM SCALE MINING/ ISSUES MANAGEMENT	
Addressing Social Tensions in Mining: A Framework for Greater Community Consultation and Participation <i>Mamadou Barry</i>	3
Small-Scale Mining: Time for Deeds Not Words <i>Norman S. Jennings</i>	9
Strategies for Development of Small/Medium Scale Mines in Africa <i>Pierre A. Traoré</i>	17
An Integrated Participatory Framework for the Exploitation of Mineral Resources in the Context of Sustainable Development — The Case of Namaqualand, South Africa <i>Olle Östensson</i>	25
Policies for Artisanal and Small Scale Mining in the Developing World — A Review of the Last Thirty Years <i>John Hollaway</i>	35
Gender Issues in Mining — Effects of Retrenchment <i>Paramita Aich</i>	43
Legislative Framework in Indian Mineral Sector and Scope for Its Improvement vis-a-vis Small Scale Mining <i>R.L. Bhatia and S.V. Ali</i>	53
Cluster-Mining: A Tested Concept for Small Mines <i>S.L. Chakravorty</i>	59
SECTION 2: ENVIRONMENTAL PERSPECTIVE	
Australian Initiatives for Best Practice Environmental Management in Small Scale Mining in the Asia-Pacific <i>Peter Hancock and Stewart Needham</i>	67

Integrated Environmental Management in Small Scale Mining — A Bolivian Experience <i>Guillermo Cortez</i>	81
Environmental and Social Considerations during Abandonment of Small Scale Underground Mining Operations: Case Study of a Copper Mine <i>A. Santha Ram and A.N. Bose</i>	83
Development of an Algorithm for Integrated Environmental Management Information System for Small Scale Open Cast Mines of Himalayan Region <i>A.K. Soni and A. Swarup</i>	93

SECTION 3: TECHNICAL DEVELOPMENTS

Building a Better Sluice Box <i>Don Stewart</i>	111
Equipment Selection for Small to Medium Scale Mines <i>Prabir Paul, G.C. Mishra and D.K. Panda</i>	129
Identification of Technological Problems in Small Scale Mining in Tanzania; A Move towards Poverty Alleviation <i>W. Mutagwaba, A. Mlaki and R. Mwaipopo-Ako</i>	141
Birth of Small and Tiny Beneficiation Plant <i>Shekhar Chakravarty</i>	153
Software and Hardware Requirements for Small Scale Mining Sector <i>A. Santha Ram</i>	161

SECTION 4: SHARING EXPERIENCE WORLD WIDE

Prospects and Problems: Small-Scale Gold Mining in Papua New Guinea and the Philippines <i>Don Stewart</i>	173
Small Scale Mining and the Environment in Zimbabwe: The Case of Alluvial Gold Panning and Chromite Mining <i>Oliver Maponga</i>	185
Small and Medium Scale Mining in Indonesia, History and Current Activities — 1996 <i>Antony H. Osman</i>	213

Marble Mining in Small Scale Sectors in India — Problems, Prospects and Suggestions <i>A. Bhatnagar and S.K. Mukhopadhyay</i>	225
Recent Trends of Dimensional Stone Mining in India <i>K.U.M. Rao and A. Bhatnagar</i>	235
Artisan Mining of Coal in the Garo Hills, Meghalaya <i>D.K. Jain and A.K. Sural</i>	243

SECTION 5: ECONOMIC PERSPECTIVE

Competitive Edge of Minerals from India's Small Scale Mines in Global Market <i>C.S. Jha</i>	255
Economics of Small Scale Resources: A Collective Mining Effort <i>Suman Banerjee, Sayeri Banerjee, Sajal Dasgupta and S.M. Chatterjee</i>	269

SECTION 6: MISCELLANEOUS PAPERS

An Insight into Entrepreneur-Employee Relationship in Small-Scale Mining Activities <i>S.M. Mukhopadhyay and J. Bhattacharya</i>	275
Modern Education and Training for Small-Medium Scale Mining Mineral Policy Needs <i>M.B. Katz</i>	283
Mining Information System (MINIS) and Global Network <i>Partha Pratim Chaudhuri</i>	289
