Gemstone Field Trips

Please indicate whether you are interested in attending the optional field trips (additional fees included). Due to logistical purposes, we have split up into two groups. The only difference between the two groups is **when** they will be taken on the tours of the mines. Please note that the different groups do not affect the hotel stay. Everyone will be staying at the Fiesta Park Hotel:

| ☐ I do not have a preference in which group you schedule me. | | | | | | |
